The Common Council of the City of Buffalo, in the County of Erie, New York, hereby resolves (by the favorable vote of not less than two-thirds of all the members of said Common Council) as follows:

Section 1. The Comptroller of the City of Buffalo, in the County of Erie, New York, is hereby authorized and directed to issue General Improvement Bonds of said City in the principal amount of \$3,914,700, pursuant to the provisions of the Charter of said City and the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law"), to finance the cost of construction of a new police training/shooting range facility, including planning and design work, related site improvements, and furnishings. The estimated maximum cost of said object or purpose for which the bonds authorized by this resolution are to be issued, including preliminary costs and costs incidental thereto and the financing thereof, is \$3,914,700, as set forth in the duly adopted Capital Improvements Budgets of said City, as amended. The original intent was that the facility would be located on Seneca Street, however, it has now been determined that it is in the best interests of the City to locate the new police training/shooting range facility at 379 Paderewski Drive, rather than Seneca Street. This resolution is adopted pursuant to Subparts A, B, C and D of Chapter 55 of the Laws of 2024 and the Prior Resolutions have been amended to state that the bonds heretofore authorized pursuant to the Prior Resolutions are deemed to be authorized for the purpose of financing the construction of a new police training facility/shooting range to be located at 379 Paderewski Drive, notwithstanding the original intent of the City at the time of adoption of the Prior Resolutions. The Prior Resolutions are hereby rescinded and replaced by this resolution for purposes of authorizing the financing of the new police training/shooting range facility in compliance with Chapter 55 of the Laws of 2024.

Section 2. The proceeds of the sale of the bonds authorized by this resolution, or any bond anticipation notes issued in anticipation of the sale of said bonds, shall be used for the object or purpose specified in Section 1 of this resolution.

Section 3. The City intends to finance, on an interim basis, the costs or a portion of the costs of said object or purpose for which bonds are herein authorized, which costs are reasonably expected to be incurred by the City, pursuant to this Bond Resolution, in the maximum amount of \$3,914,700. This Resolution is a declaration of Official Intent adopted pursuant to the requirements of Treasury Regulation Section 1.150-2.

Section 4. The following additional matters are hereby determined and stated:

(a) The period of probable usefulness applicable to the object or purpose for which the bonds authorized by this resolution are to be issued within the limitations of Section 11.00 a. 11(b) of the Law, is twenty-five (25) years.

Section 5. Each of the bonds authorized by this resolution and any bond anticipation notes issued in anticipation of the sale of said bonds and the renewals of said notes shall contain the recital of validity prescribed by Section 52.00 of the Local Finance Law. Provision shall be made annually by appropriation by said City for the payment of interest on and for the amounts required for the amortization and redemption of said bonds and said notes.
